**DETAILED ACTION**

***Allowable Subject Matter***

1. Claims 1-39, 41, and 43-77 are allowed.
2. The following is an examiner's statement of reasons for allowance: The prior art does not disclose or suggest the "at least one controller provided on at least one printed circuit board supported by the casing and connected to at least one of the printhead integrated circuits via connection of at least one connection port of the printed circuit board and the electrical connector, the controller being configured to process print data and to communicate the processed print data to microprocessing circuitry of at least one of the printhead integrated circuits via the electrical connector so as to control the printing operation of said at least one of the printhead integrated circuits to print the processed print data" in combination with the remaining claim elements set forth in claim 1 and its dependent claims.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Brian Goldberg whose telephone number is 571-272-2728. The examiner can normally be reached on Monday through Friday, 9AM-5PM.
